Calling Attention to Matters of urgent Public Importance

(i) re : way side incidents of robberies on Gulbarga Shahabad Road

Mr. DEPUTY SPEAKER.—We will go to the next item. Calling attention by hon. Member Sri Kalmankar and others.

Sri D. B. KALMANKAR (Aland).—I call the attention of the Hon. Chief Minister to the wayside incidents of robberies on Gulbarga Shahabad road.

Sri D. DEVARAJ URS (Chief Minister).—I State as followed.—

Sir, it is reported that between 8-2-1973 and 16-2-1973 there were no cases of dacoity and robbery by using deadly weapons such as pistols and revolvers, involving car or bus passengers.

It is further reported that on 7-2-1973 at about 9-15 P. M. some 7 to 8 unknown culprits stopped car No. MYP 1208 belonging to Sri M.P. Shroff, Manager, Heavy Engineering Works A.C.C. Shahabad near Gopal Spun Factory on Gulbarga-Sedam road by blocking the road by means of stones, when he was going to Shahabad with his wife and her friend. When he tried to stop the car, the culprits who were armed with lathis and weapon like pistol came to him and pelted stones and also assaulted him. The inmates of the car were forced to come out. The culprits threatened them to hand over all the valuables and they snatched away gold ornaments, wrist watches, clothes, etc., all valued at Rs. 6,345. The culprits having seen some vehicle coming

(SRI D. DEVARAJ URS)

from Sedam side threatened the inmates of the car not to create noise but when they came to know that the vehicle approaching them was a Police van they immediately ran away with the property in different directions. A case of dacoity in this behalf has been registered and is under investigation.

Regular night patrolling on all the highways in Gulbarga District has been enforced and the Anti-Dacoity Party has been deputed exclusively to collect information leading to the detection of this case as also to prevent recurrence of such incidents.

SRI D. B. KALMANKAR.—In addition to these incidents it is also reported that two more incidents on the same road took place ; once a Jeep was stopped and another time some people with pistols stopped the bus and they also ran away with the booty. Whether these incidents have come to the notice of the Government ?

SRI D. DEVARAJ URS.—Sir, the only incident that took place was on 7-2-1973. Subsequently no other incident has taken place. At the same time, there is continuous petrolling of that road since that incident took place.

SRI D. B. KALMANKAR.—Has it come to the notice of the Government that often buses, lorries and other vehicles are being stopped at different places by unruly elements ?

SRI D. DEVARAJ URS.—I am not in a position to say about that now. I am saying about this particular highway incident.

ಶ್ರೀ ಎಸ್. ಬಂಗಾರಪ್ಪ.—ಪೊಲೀಸ್ ವ್ಯಾನ್‌ನ್ನು ನೋಡಿ, ಅದು ಪೊಲೀಸ್ ವ್ಯಾನ್ ಎಂದು ಗೊತ್ತಾದ ತಕ್ಷಣ ಅವರು ಓಡಿ ಹೋದರು ಎಂದು ಹೇಳಿದರು. ಈ ಕ್ರೌಢರ ಏನಿದ್ದಾರೆ ಇವರ ಮೇಲೆ ಕೇಸ್‌ಡುಕ್ ಮಾಡಿದ್ದಾರೆವೋ ಮತ್ತು ಅವರನ್ನು ಜೇಸ್ ಮಾಡಿ ಹಿಡಿದಿದ್ದಾರೆವೋ ?

SRI D. DEVARAJ URS.—The police inspector and his staff came on the spot in the police van of Gulbarga B Division and they chased the culprits, but they ran away. Immediately after the incident came to the notice for the P.I and the necessary police force rushed to the spot. The S. P. also visited the spot and guided the investigation officer. Subject to the identity of any of the accused the investigation of the above case is entrusted to the Special Investigating Agency, Gulbarga and all efforts are being made to detect the cases.

SRI V. N. PATIL.—I think it might have already come to the notice of the Government that at several places in Gulbarga District between Sholapur-Shahbad road that too near Hadagalli such instances are occurring. There should be two reasons for this...

I think the hon. Chief Minister will be able to answer this,

MR. DEPUTY SPEAKER.—Even if the Hon. Chief Minister intends to reply, it will be very difficult for me to permit him.

Sri V. N. PATIL.—How did you read what is contained in my mind and in the mind of the Hon. Chief Minister ?

Mr. DEPUTY SPEAKER.—He has already mentioned the wayside on Gulbarga-Shahbad Road. How can you expect him to answer about the incidents taking place elsewhere ?

Sri V. N. PATIL.—Once or twice in those parts, people stop the buses and jeeps. The Deputy Commissioner of Gulbarga heard the grievance of the people on the spot and the people calmly dispersed when he assured of some regular work. In the name of stopping buses, some anti-social elements are likely to utilise the opportunity to rob the people. I would like to know what preventive steps Government would take for recurrence of such incidents.

Sri D. DEVARAJ URS.—How do I know that a bus will be stopped out of necessity or out of mischief. Those who have got enough to eat, they may not be in a position to say that it is enough for them. A man who wants to rob others, may be a man who is having enough to eat he resorts to robbing. People who have got enough money are indulging in bank robbery. Those who indulge in Bank robbery can it be contended that they are without food ? We shall not worry about it. There are people who do not want to work but rob other and eat.

(ii) *re* : hardships of the employees of Bagalkot Municipality who compelled to retire

Sri M. M. SAJJAN (Muddebihal).—I call the attention of the Minister for Municipal Administration to the hardship caused to employees of Bagalkot Municipality who are compelled to retire.

Sri B. BASAVALINGAPPA (Minister for Municipal Administration).—I state as follows,—

The Mysore Municipalities (Conditions of Service of Municipal Officers and Servants) Rules, 1972 have come into effect from 22-5-1972. These rules have been framed under the provisions of the Mysore Municipalities Act, 1964. The old rules framed by the Municipalities under the Bombay Municipal Boroughs Act or Bombay District Municipalities Act were in force in the respective Municipalities till 22-5-1972, as per Section 355 of the Mysore Municipalities Act 1964.

As per the provisions of Rules 48 of the 72 rules, the employees have to retire on attaining the age of 55 years. It is likely that those who have attained the age of 55 years and are due to retire from service might feel aggrieved by these new rules and may therefore be seeking continuance of the old rules.
